## Star Mazda Championship on HDNet This Weekend (Page Two)

**Conor Daly** has won the last four races in a row, thus far dominating the majority of the season. Daly also won a race at New Jersey Motorsports Park from the pole position last year, creating a combination this year with a high potential for success.

**Tatiana Calderon** is in her rookie season in the Star Mazda Championship. Calderon's best finish thus far was 9<sup>th</sup> at Mazda Raceway Laguna Seca on May 23. She was fast at Juncos Racing's private test at New Jersey Motorsports Park earlier this year and is confident going back to a road course for Rounds 6 & 7.

**Rusty Mitchell** joined Juncos Racing for Round 5 at Iowa Speedway. Mitchell won the pole and new track record at GP3R in 2009 and finished second in the race. Though a proven competitor, Mitchell struggled last season at New Jersey Motorsports Park, retiring early in both races at the doubleheader event. Juncos Racing hopes to help Mitchell find the speed and success he deserves at this track in 2010.

For more information please view [www.juncosracing.com](http://www.juncosracing.com).

**About Juncos Racing:** Juncos Racing is centrally located in Vero Beach, Florida, U.S.A. to offer diverse levels of racing year round. Juncos Racing operates out of a state of the art facility which houses vehicles suitable for all levels of racing, from go-karts to open wheel Formula race cars. It is one of the few teams in the United States which offers a development program starting from racing go-karts to racing professional open wheel race cars. The team's goal is to provide young and older drivers alike with a foundation upon which they can build a career in motorsports. Juncos Racing offers two and three-day racing schools which cover theoretical and hands-on driving techniques. With your dedication and the team's expertise and advanced training techniques, Juncos Racing is confident that you will achieve and master the fundamentals of racing.
